2. Commencement

2.2 The Contract commences at the time of activation by iTEL of your SIMcard ('Activation') and will continue until terminated by iTEL under Clause 10 or by you giving to iTEL written notice of termination.

2.3 iTEL may vary any term or condition contained in the Contract on 30 days written notice to you. Upon any such variation by iTEL, you may at any time before such variation takes effect, terminate the Contract upon written notice to iTEL within 30 days after the date of such notice.

You must take all reasonable care to return the SIMcard to iTEL upon demand. If you fail to return the SIMcard to iTEL within 30 days of a demand made by iTEL, you must pay iTEL's standard SIMcard replacement fee.

3.2 You must notify iTEL immediately if any SIMcard is lost, stolen or destroyed (whether installed or not) and pay iTEL's standard SIMcard replacement fee.

You must pay these amounts whether or not the Equipment ceases to be in your possession or control for any reason.

4.2 You will be liable for access charges during any period when the Services have been discontinued or suspended by iTEL because of a failure of you to comply with the Contract.

4.3 You will be liable for all charges in relation to any SIMcard supplied to you which has been lost or stolen (whether installed in Equipment or not) until iTEL has been notified of the loss or theft.

4.4 iTEL may, by giving 30 days written notice to you, vary the Access Plan whereupon you will pay charges in accordance with the revised Access Plan.

4.5 iTEL may immediately pass on to you any changes in Carrier's charges to iTEL without reference to you.

4.6 If we have agreed to provide Services for a particular term, then the whole amount payable for the whole of the term that those Services are to be provided is a debt owing to us at the time of entering into the Contract for which we may bill you even if you cancel the Service before the term of the Contract ends.

4.7 Where you request iTEL to bill amounts falling due under the Contract to your nominated credit card, whether in the Application or otherwise, iTEL may do so and

(a) You agree that the nominated credit card account will be operated within its terms (including any credit limit set by the relevant financial institution) so that iTEL is paid all amounts due hereunder;

6. Security Deposit

6.1 iTEL may at any time require the payment of a security deposit or an increase in any previously provided security deposit before providing or continuing to provide Services.
